

Abdullah Aziz

Pythonist | Student

I am a skilled Python programmer with a strong grasp of the language and experience in GUI development using Tkinter. I've completed several projects showcasing my proficiency in Python and GUI design.

I also have solid knowledge of C++, which enhances my problem-solving skills. I'm eager to apply my technical expertise to new challenges and continue learning.

Work Experience

PYTHON & GUI (PERSONAL PROJECTS)

July 2020 - Present

- Developed several Python applications with user-friendly GUIs using Tkinter.
- Managed the full development process from coding to testing, ensuring quality and performance.
- Enhanced project functionality and user experience through effective problem-solving and design.

Educational Background

INTERMEDIATE IN COMPUTER SCIENCE

FG Quaid-e-Azam Degree College

2022 - 2024

PYTHON

Yotube

2020 - 2021

PYTHON FOR EVERYBODY

Coursera

2021 - 2022

GUI

Youtube

2022 - 2023

Technical Skills

- Python
- C/C++
- GUI
- Tkinter
- Git
- Github

Soft Skills

- Critical Thinking
- Problem Solving
- Self-Motivation
